

HOPE-tote

Hope to Hold On To

Fill bags with NEW toiletry items and return them to the Mission. We distribute bags to those in need via our "Operation Sunshine" van. Use your own bags or pick up Hope Tote bags from the Mission. These items help the homeless to

clean up on the outside

while the hope that comes with this little bag causes them to look inward and know someone cares leading to more permanent life changes.

Toothbrush/Toothpaste
Soap/Body Wash
